The screenshot shows the registration form for Walker Tracker. At the top, there is a navigation bar with a logo, a user name "exampleuser" (highlighted with a red circle), and links for "Search", "Help", and "Logout". Below the navigation bar, the form is titled "First & Last Name:" and has two input fields for "First Name" and "Last Name". Underneath is a "Timezone:" section with a dropdown menu currently set to "(GMT-8) Pacific Time (US & Can)". A note states: "For a few time-related items to calculate correctly it's important to enter your local timezone". The "Profile:" section includes a text area for "A few notes about yourself - visible to other users in your program". Below that is a "Birthdate:" field with a date picker set to "January 1, 1988". The "Daily step goal" section has a text input field set to "8000" and a note: "How many steps do you want to walk per day? (2,000 steps rough equals 1 mile, 1,000 steps roughly equals 1 kilometer)". At the bottom right of the form is a blue button labeled "Get Started!".
